

Encap Pro **FORTIFY**

Our most robust and durable encapsulation film makes print impenetrable and long lasting in any environment for up to 20 years.

Encapsulation Film

250mic

Our products and services protect print, making it more reliable in demanding environments.

Encap Pro **FORTIFY**

Our heaviest polyester encapsulation film that makes print impenetrable and long lasting in any environment. This 250 micron film creates ultimate rigidity (similar to a credit card) and is reserved for protecting print up to 20 years in the most demanding of wet, busy and dirty environments, even underwater when used in conjunction with synthetic paper.

Use on

Posters | ISignage | ID Cards | Menus

Features

- > Crystal clear reflective gloss finish (250mic)
- > Seals and protects up to 20 years
- > High-quality co-polymer adhesive
- > Protects print against water
