

Encap Pro

INTENSIFY

Ultra lightweight 'invisible' polyester encapsulation film that enhances vibrancy of colours and protects print for up to 3 years.

Encapsulation Film

42mic

Our products and services protect print, making it more reliable in demanding environments.

Encap Pro

INTENSIFY

Our ultra lightweight polyester encapsulation film that seals print and enhances vibrancy of print colours. The 42 micron film maintains the flexibility of print while still offering a barrier that protects the print for up to 3 years in dusty and dirty environments.

Use on

Posters | Signage | Packaging | Menus

Features

- > Crystal clear reflective gloss finish (42mic)
- > Seals and protects up to 3 years
- > High-quality co-polymer adhesive
- > Maintains flexibility of print
- > Wide selection of widths and lengths
